When the world is your office, enjoy a line of versatile audio solutions that work your way. Ensure flawless business calls and boost your concentration with headsets that offer Active Noise Cancellation and optimized music experiences.

Work wherever,
whenever

ADAPT 600

Maximize focus and productivity anywhere with the ultimate headset powered by EPOS AI for crystal clear calls, adaptive ANC and superior stereo sound. Enjoy a unique UC optimized solution with machine learning enhanced microphone performance.

- Regain concentration anytime, anywhere
Adaptive ANC monitors background noise and adjusts the level of noise reduction, while ear pads deliver effective noise dampening
- Experience superior sound to increase focus
Renowned EPOS stereo sound and personalized audio profile means you can enjoy high-quality music and focus on working
- Ensure clear calls with certified solutions
With innovative noise-filtering technologies, combined with optimization for UC and Certified for Skype for Business
- Stay connected to your favorite devices
With multi-point connectivity to two Bluetooth® devices and up to 30 hours of battery time
- Discover portable user-friendly design
Turn the ear cups to switch on or off, fold flat on-the-go and enjoy full control with a simple swipe of the touch pad

Stay agile, achieve
more

ADAPT 500

Cut through the noise and make your presence felt with a headset that keeps you productive in open offices, or on the move. Get clearer calls with the discreet boom arm for excellent speech intelligibility and use ANC in noisy situations to focus.

- **Get clearer calls on demand**
The discreet, foldable boom arm and 2 advanced microphones optimize voice pick up for clearer office and mobile calls
- **Concentrate anytime, anywhere with ANC**
4 ANC microphones reduce background noise to increase work focus, together with plush ear pads for good sound isolation
- **Ensure clear calls with UC certified solution**
Certified for Microsoft Teams (pending certification) and optimized for UC
- **Work your way**
Portable design that works the way you do with discreet boom arm, music performance, noise cancellation and long battery life
- **Enjoy comfort and convenience**
Soft, on-ear wearing style for all-day comfort. Ear cups rotate and dual-foldable design fits neatly into the handy carry case

Take great sound anywhere

ADAPT 400

Keep moving, stay focused and be productive with an in-ear, neckband headset that delivers rich, natural sound and ANC whether at work or commuting. Tune into clear business calls anywhere, with a vibrating neckband so you'll never miss a call.

- Boost your productivity with ANC
Your in-ear neckband headset to maintain concentration in noisy environments with an advanced 4 microphone ANC system
- Clear business calls – UC optimized solution
Impressive sound with a Microsoft Teams certified (pending certification)/UC optimized solution and subtle vibrating neckband signaling incoming calls
- Enjoy superior comfort and fit
Lightweight construction and comfortable earbuds with a choice of 4 ear tips, plus versatile single or double-sided use
- Stay connected to your favorite devices
Multi-point connectivity to 2 actively paired Bluetooth® devices and 8 devices in the pairing list
- Talk all day
With up to 14 hours of talk time

Work your way in
style

ADAPT 300

Stay focused with ANC that reduces background noise, helps you concentrate in busy open offices and boosts productivity on-the-go. Ensure clear business calls with a solution optimized for UC and switch easily between devices as you multitask.

- Concentrate in noisy environments
Thanks to Active Noise Cancellation that reduces background noise to increase work focus
- Get lasting comfort
Soft, over-the-ear design creates comfort even during the most extended listening sessions
- Increase productivity through clear calls
With UC optimization
- Enjoy stylish, functional design
Both inside the office and on-the-go with a sleek, minimal look and a foldable design
- Enjoy stereo sound and reliable performance
With high-quality EPOS stereo sound at work or on-the-go and a 25-hour battery
