Unite your Team

EXPAND 80

Unite colleagues with a premium, scalable Bluetooth® speakerphone for up to 16 in-room participants. Be heard thanks to six adaptive, beamforming microphones that isolate voices from room reverb and ambient noise. A superior speaker for rich, natural sound.

- Get your message through with EPOS Voice™

Six adaptive, beamforming microphones and highly advanced DSP intelligently isolate the human voice from room reverb and ambient noise

- Rich, natural sound

Powerful ultra-low distortion speaker in a unique patent pending suspended speaker box fills the room with outstanding sound, enabling superior duplex performance that allow for simultaneous speak

- Superior craftsmanship, statement Scandinavian design

Crafted with high-quality materials and fabric by Kvadrat for excellent resonance damping and a premium, minimal aesthetic

- Expand your meetings

Attach up to two expansion microphones for larger meetings

- Set up your conference call in seconds

Enjoy multiple connectivity options, an intuitive user interface and one touch access to your preferred Voice Assistant or Microsoft Teams
